

NORIS Medical
ENGINEERED FOR HEALTH

November 29 - December 3, 2013

Dental Seminar

**Immediate loading techniques
of Dental Implants intended
for partial and fully edentulous
patients**

GENERAL INFORMATION

Dear Partners!

Combine business with pleasure!

Noris Medical Company invites you to a 7-day seminar in Israel. Rest of the Dead Sea, tours to holy places and rich curriculum is waiting for you from the 29 November till 3 December 2013.

Hurry up, seats are limited.

November 29

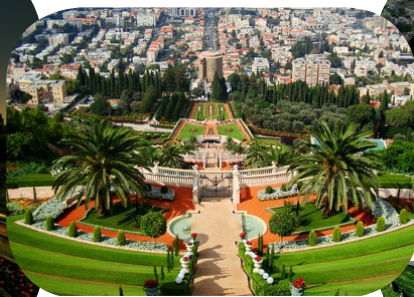

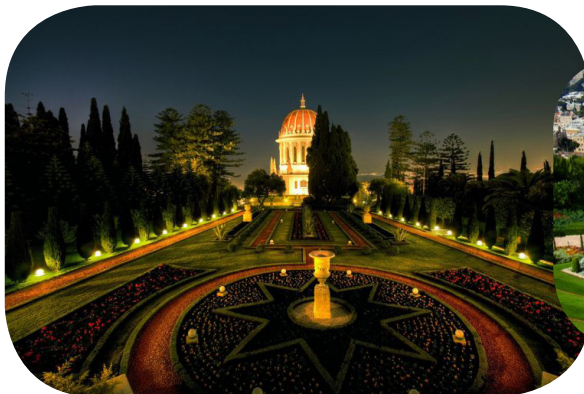

15:15 - Arriving at the airport Ben Gurion

18:00 - Check in hotel Dan Panorama Haifa

The Dan Panorama Hotel, rising twenty-one stories high on Mount Carmel, offers you a choice of spectacular views: one side commands a splendid panorama of the city of Haifa, Mount Carmel and the sea. Another vantage point presents the huge curve of Haifa Bay and the endless stretches of Israel's beautiful Mediterranean coastline. The only Haifa hotel that's a city landmark, the Dan Panorama Hotel is contemporary in style with spacious public areas and guestrooms featuring floor to ceiling windows.

21:00 – Dinner

November 30

Immediate loading techniques of Dental Implants intended for partial and fully edentulous patients

Lecturer: Dr. Yigal Balan

A graduate of the Faculty of Dental Medicine of the University of Timisoara Romania in 1990.

1992 Postgraduate Programme Implantology. Pittsburgh, USA

A member of the Israeli and the German Society for Implantology.

He lives and works in Israel, is engaged exclusively in the treatment of complex cases using one-step implantation with immediate loading. He is a scientific advisor to Noris Medical.

He has extensive experience in conducting seminars in Implantology in Israel and Europe.
